

For Employer

FACTSHEET ON CAREER CONVERSION PROGRAMME IN RETAIL SECTOR DIGITAL PROFESSIONAL (RETAIL)

Objectives of the Programme

1. As part of the *Adapt and Grow* initiative to provide greater support for mid-career Professionals, Managers, Executives and Technicians (PMET) jobseekers, the Workforce Singapore (WSG) and SkillsFuture Singapore (SSG) jointly have developed a Career Conversion Programme (CCP) for Digital Professional (DP) in Retail.
2. The CCP-DP (Retail) will help retail companies to tap on additional sources of manpower and meet their manpower needs by providing mid-career switchers with an opportunity to enter the retail profession. Through structured classroom and OJT, companies are also able to align training according to their specific business needs.

Programme Details

3. To facilitate the under a Place-and-Train mode, participating employers will hire the participants before they commence training; and be required to provide structured On-the-Job Training (OJT) plans to ensure that participants hired will gain the necessary competencies for their new role.
4. The CCP for DP is administered by the Singapore Institute of Retail Studies (SIRS). Participants will undergo a **CCP conversion programme, consists of CCP training duration (classroom training delivered by SIRS, with structured OJT at the hiring company) and an additional period of retention equivalent to the training duration.**

The training programme * is as follows:

New adjustment

10. Adjustments in funding disbursements for new hires on CCPs from 1 Sep 2020 to 30 September 2021.

The following enhancements to the Jobs Growth Incentive (“JGI”) were announced by DPM Heng on 16 Feb 2021¹.

- a. Extension of the qualifying window of JGI by 7 months to 30 Sep 2021
 - b. Higher wage support for eligible companies that hire mature workers, persons with disabilities and ex-offenders
- WSG has made temporary adjustments to salary support (SS) disbursements for all new hires hired on their conversion programmes (i.e. CCPs programme) for the period between 1 Sep 2020 to 30 Sep 2021, which coincides with the qualifying period for the JGI². The intent is to spread out SS disbursements over a longer period to encourage companies to retain local workers hired under this conversion programme.
 - For individuals newly hires and out on Place-and-Train CCPs for the period between 1 September 2020 to 30 September 2021, the Salary Support funding will now be disbursed to participating employers over a longer period, comprising the CCP training duration and an additional period of retention equivalent to the training duration.

¹ For more information on JGI, please visit the IRAS webpage at <https://www.iras.gov.sg/irashome/Schemes/Businesses/Jobs-Growth-Incentive--JGI/>

² The adjustment to SS disbursement will apply based on the date of hire of the individuals (i.e. start of employment with employer and not date of commencement of the programme). To illustrate, the adjustment to SS disbursement will not apply to individuals hired before 1 Sep 2020, even if they start the programmes after 1 Sep 2020. On the other hand, individuals hired between 1 Sep 2020 – 30 Sep 2021 will be covered by the changes, even if they start the programme after 30 Sep 2021.
